You've hit your prime. Now turn up the heat with some high-end highlights that remind us what it is to be a woman.

• Take classic color combinations like black and white to the next level. Dashes of **RED** make a grand statement.

• Add an element of **SURPRISE** to your look by picking eclectic items like whimsical jewelry and striped flats.

• You can go one of two ways: **AUSTERE** with a linear topper and solid satchel or overtly **FEMININE** with a floral-print bow blouse dress and ladylike heels.
